

Cutting-Edge Research in both Composites and Metals... *Under One Roof!*

Please join us for the dedication of the new
UAB Materials Processing and Application Development (MPAD) Facility

Tuesday, August 24th, 2010
4:30 PM - 6:30 PM

This exciting 17,000 square foot facility brings together leading
researchers and state-of-the-art equipment to develop new processes
and technologies for the next generation of innovative materials.

Festivities at the MPAD Facility will include drinks and heavy hors d'oeuvres.

You are also invited to join us prior to the dedication
anytime between 3:00 PM and 4:30 PM at the UAB Great Hall
(in Hill University Center) to visit with exhibitors of the [Alabama Composites Conference](#).

Parking will be made available directly around the MPAD facility
and will be clearly marked upon arrival.
